Promotion in YOUR life ought to be as it is with the Boy Scouts.

To go from "tenderfoot" to "First-Class Scout" they have to earn and SAVE a certain sum of money.

Why not make the same rule as to your own conduct? Make up your mind that each business promotion you earn will also see a larger sum to your credit in the Bank of Hawaii.

You see, no man knows when that "rainy day" will arrive, and—!

"The average price of refined sugar in other years when raw sugars were selling in bond at 2.09c per pound as compared with 2.04c now was 4.40c per pound in contrast with 3.819c per lb. during the past three months. It is therefore clear that a saving of .581c per pound is being effected by the reduced duty which, figured on the amount of sugar consumed in the United States last year, namely, 3,743,139 long tons or 8,384,631,360 pounds, would be equal to \$48,714,708. While the 25 per cent reduction in the tariff affords some relief from the exceptionally high rate that we have been laboring under, the real benefit to the consumer will come in 1916, after which a further saving of some \$100,000,000 per year will be effected.

"Very truly yours,  
F. C. LOWRY,  
"Manager Sales Department."

**MAUI NEWS**

[Special Star-Bulletin Correspondence]  
WAILUKU, Maui, July 8.—Dr. Le Apsley, who has been visiting Mr. and Mrs. Worth O. Aiken for the past month, has highest words of praise for the Valley Isle and its people, and Maui, on the other hand, reciprocates and has greatly enjoyed the visit of the student and scholar. Dr. Le Apsley has given a number of brilliant talks on various phases of psychology, beginning with a sermon at Pala Union church upon the psychological reasons for the belief in Christianity and the living of the Christian life. Those who heard the sermon said it was a remarkably able exposition of the subject. Since that day he has given several notably interesting shorter talks that have been listened to with keen appreciation by Makawao and Pala people. Dr. Apsley will leave Maui Wednesday this week, but hopes to be back to the islands again in about one year's time. He will have many friends on this island to welcome him upon his return.

On Monday last at the Maui Chamber of Commerce meeting definite plans were set on foot for the coming Civic convention. The meeting was an enthusiastic one and if the enthusiasm of this great session is any indication at all of future meetings, and of the final outcome of the convention, the coming gathering of the civic bodies will be the best one in their history.

Wm. Searby and J. J. Walsh were named to the special committee to look up accommodation of guests and to find out what the representation of each body would be at Maui. F. F. Baldwin, R. A. Wadsworth, Wm. Searby, J. J. Walsh, H. B. Penhallow, Harold Rice and E. R. Bevins were appointed a committee on arrangements.

Last Tuesday evening a most enjoyable birthday party was given at the Maui hotel by Manager and Mrs. W. H. Field to a merry group of young and older people in honor of the birthday of Miss Field. Two other birthdays were celebrated by the same delightful festivity, those of Mrs. Coombs and W. Leslie West. The members of the children's dancing classes at the Alexander House gymnasium, together with their parents, were invited. Miss Ella Bal was at the piano and dancing was enjoyed until about 10 o'clock. Delicious refreshments were served during the evening.

A most enjoyable gymnasium dance was attended on Saturday night by some 200 people. The armory was offered for the affair. It was decorated and made ready for the occasion by the Athletic committee of the Alexander House gymnasium. This committee was in full charge of the music, the floor and the refreshments and the good time people had was due entirely to the efforts of the committee in charge.

quash contained the same arguments as the motion of the attorneys for Jeff McCann, wherein the grand jury was said to be "illegal" and "improperly constituted." The motion was denied by the court.

The motion presented by counsel for the defense contained, among others, the following reasons why the indictment should not be allowed to stand: "That the second count in the said indictment does not state any crime cognizable under the laws of the United States."

"That the second count is unintelligible, uncertain and without sense."

"That the third count of said indictment does not allege any crime cognizable under the laws of the United States."

## F. C. LOWRY IS BUSY AGAIN CAMPAIGNING FOR FREE SUGAR

That the Federal Sugar Refining Company is continuing to campaign for free sugar is shown by a circular letter which has come into the possession of the Star-Bulletin. The letter is sent out over the signature of F. C. Lowry, manager of the sales department of the Federal Company. It will be remembered that Lowry figured prominently in the "insidious" lobby" probe and that he was then charged by the sugar producers with trying to bring about free sugar so that the refiners could reap the profits of lower prices on the raw product.

The circular letter he sends out says: "New York, N. Y., June 17, 1914. "Dear Sirs: Three months' operation under the new tariff shows that

the consumer is receiving all the benefit of the 25 per cent reduction in the duty on sugar. Since the new rates went into effect Refiners' selling price has averaged 3.819c per pound as compared with an average price for the last ten years of 4.85c per pound. The average in-bond price of 96 degree test raw sugars for the same period has been 4c per pound. The reduction in the duty combined with the fact that the world's production this year is the largest on record is responsible for the prevailing low prices, but that the reduced tariff is directly responsible for a large part of the decline is shown by the following comparison of prices between March 1st and June 1st, 1914, with prices for other years when the in-bond price of raw sugars was on the same basis.

	Ave. In-Bond Price	Cuban Duty	Duty Paid	Ave. Net Price
